

DESIGNER'S CHOICE WEDDINGS FLX

We know that wedding planning can be daunting - particularly when giant price tags dash your wedding dreams. So we've come up with a way to provide premium wedding flowers more economically.

If you like our work (think organic in feel, textured, and beautifully wild) and want to take advantage of Alex's 12+ years working for major fashion labels, Fortune 500 companies, and designing florals for galas and weddings in some of the best known venues in NYC, but have a budget under \$3,500, our Designer's Choice option might be perfect for you. You will have inspired and original décor in a palette of your choice, at great value.

How does the Designer's Choice option work? Easily.

- 1) Set up a 30 minute phone consultation and tell us about your style, your palette and your vision.
- 2) Wait for your quote with basic mood board
- 3) Sign a contract and pay a \$500 save-the-date deposit
- 4) Sit back and relax, or focus on other things. All you need to do is believe in our work and our commitment to making your big day beautiful.
- 5) Pick up your flowers, or have us deliver and/or set up for additional fees.
